CME ON Current Updates In Fetal Imaging

with Live Demonstration

28th & 29th October, 2023 at Atal Sabhagar, IGMC Shimla, H.P.

Dear Colleagues

Fetal Imaging has emerged as an important subspecialty in the field of Radiology. Detection of fetal anomalies at the earliest possible time is a great challenge to the fetal imaging experts.

Department of Radio-Diagnosis, IGMC Shimla is hosting **CME on Current Updates in Fetal Imaging** on **2nd & 3rd September 2023** at Shimla. Eminent speakers will be sharing their valuable expertise in the field of Fetal Imaging.

We look forward to have you with us in the beautiful hill city Shimla.
